Heart Case: Skills Training for Cardiac Surgery

Bringing
Practice to the
Practice of
Medicine®

HEART CASE

is a platform for training the fundamentals of cardiac surgery. These include:

- CABG, both Proximal and Distal Anastomoses
- Aortic Cannulation
- Small Vessel Anastomosis
- Mitral Valve Procedures
- Aortic Valve Replacement

The platform allows for deliberate practice of basic cardiac operative skills in a safe, repeatable environment.

HEART CASE #1351

includes Suitcase Thorax with full sternotomy, Positionable arm, Heart Cradle to accept CABG Heart, Mitral Valve Mating Plate, Aortic Root Mating Ring, Aortic Cannulation & Proximal Anastomosis Stand, Vessel Anastomosis Stand, Vessel Stabilizing Clip, Carrying Case

with #1074

OPTIONS AND REPLACEMENTS

4mm Vessel (0.8 mm wall), #1128

3mm Vessel (0.8 mm wall), #1127

4mm Target Vessel (3" length), #1371

4mm Graft Vessel (3" length), #1370

with #1065

3mm Target Vessel (3" length), #1368

3mm Graft Vessel (3" length), #1366

MITRAL VALVE PROLAPSE TRAINER, #1320

MITRAL with ATRIA, #1074

AORTIC ROOT, #1065

with #1320

4" AORTA (for cannulation and proximal anastomosis) #1144

CABG HEART, Patent, #1253

NATIVE CORONARY ARTERY (for CABG, 10 pack), #1187

CABG BEATING HEART w/ Compressor & Controller, #1339

MINI-STERNOTOMY BIB 6cm x 8cm, #1444

with #1128

PORTABLE LIGHT (repositionable and compact) #32003

with #1144

The Chamberlain Group produces anatomically accurate medical models that capture the consistency and response of living tissue, providing the best alternative to animals and cadavers for surgical training. In close collaboration with medical device companies and teaching hospitals in 50 countries, we meet procedural training objectives with clean, smart solutions that illuminate, educate, and differentiate.

All prices are in USD. Prices are specific to product configuration listed. Shipping, taxes and duties are additional. Quantity discounts may be available for orders in excess of twenty units of any item. Items are often made to order, please call to discuss your scheduling needs. Items may be returned for credit only, a restocking fee may apply.
